Dear Edwige

Thank you once again for selecting Global Migrate International to process your visa application.

When discussing your case with your consultant, (Liam), you mentioned that you would be interested in taking advantage of our interest free payment option. This payment plan makes it easier for you to manage the financial commitment you are making to the process.

You have agreed to a 30 Day payment plan with your consultant which is explained as follows:

Total Invoiced Amount: R16 500 00

1st Payment: R10 000.00

1st Payment due date: 06/07/2024

2nd Payment: R6 500.00

2nd Payment Due Date: 28/07/2024

It is extremely important that you comply with above financial arrangement. Failure to maintain the agreed payment schedule will result in a suspension on your case and a non payment interest of 20% of the balance owing on that installment applied to your account. The above date for your second payment cannot be rescheduled. Regardless of how far the application is, payment must be made on this day.

**Accepting this agreement**

I, (Client name), accept the information above and give Global Migrate International permission to proceed with the assistance of my visa application.

Once signed, please return by scanned email to: Liam@global-migrate.com.
