SKILLS ASSESSMENT RESULT

This letter is to confirm that you have successfully completed your skills assessment in the nominated occupation identified below. The assessment reflects current industry standards, the ANZSCO role description and units in the relevant Australian vocational education and training (VET) qualification, and confirms you demonstrated both the skills and experience to work at trade level in Australia in the nominated occupation.

The assessment included a Documentary Evidence Assessment that:

- Verified your identity
- Verified that you have sufficient relevant work experience in your Nominated Occupation
- If submitted, verified that your qualification/s is/are relevant to your Nominated Occupation and is/are comparable to an Australian equivalent qualification.

A Technical Assessment was also undertaken that included an interview with a qualified tradesperson who tested your knowledge on your Nominated Occupation and reviewed supporting documentation of your experience and skills.

Trades Recognition Australia (TRA) issues the following assessment:

This skill assessment is undertaken for the purpose of migration and/or employment and/or to access occupational licensing. It does not guarantee the likely success or otherwise of obtaining Australian residency status, licensing/registration, or employment. TRA bases the above assessment on documents provided by the applicant and through conducting a skills assessment. All reasonable efforts are made to verify the authenticity of documents submitted.

Trades Recognition Australia is an approved skilled migration assessing authority authorised under the Migration Regulations 1994 and offers skills assessments for people with trade skills gained overseas or in Australia for the purpose of migration. Skills assessments are intended to ensure an applicant can perform at the required skill level for their nominated occupation in an Australian workplace. Skills assessments also give assurance to government and the individual that their training and experience is relevant and appropriate for the Australian labour market.
